

Summer Dance Jam 2019

Summer Dance Jam is not your ordinary summer camp. Your child's confidence will explode as they learn, create and show their amazing artistic abilities all while in in the comfort of their friends-new and old! Our trained, knowledgeable staff will guide your child through crafts, games, dance classes and more all summer long.

Through weekly themed activities, your child will learn to breakdance, fly in the air during our aerial silks class and become a hip hop star! They will even get to show us some of their own talents at our end of summer talent week!

Don't miss out on making friends, creating memories and becoming a star at our Summer Dance Jam. Register today!
